Welcome Home: Newcomers to Nova Scotia

For many people, Nova Scotia is their new home. We'd like you to meet your new neighbours in this presentation by Nabiha Atallah. Nabiha will provide insight and information on how many newcomers are now living in Nova Scotia, where they are from, and the different routes they take to find their way here. She will discuss the challenges newcomers face and programs and services to help address these challenges, describe the volunteer opportunities available at the Immigrant Services Association of Nova Scotia (ISANS) and the ways we can all help newcomers feel at home.
