

## **Lisa Menchions**

I am a mother, a sailor, lover of many things but especially learning, books, cards and travel. I'm a retired bean counter. my board experience in clouds Alpha Gamma Delta fraternity, Dal Women's Division, SMU Students Association, Junior League of Halifax, Royal Nova Scotia Yacht Squadron. SCANS keeps the brain cells working and provides the ability to challenge yourself to new adventures. I welcome the opportunity to brush up on "Roberts Rules of Order" and contribute to an organization that I believe plays a vital role in our community.
