I received a Bachelor of Commerce Degree from McGill University and pursued a career in financial management with crown corporations, financial institutions, and corporate entities. In my 25+ years experience, my focus entailed lending money to all business types, both small to large corporations, business development, business counselling and portfolio as well as sales team management .

My volunteer efforts have been in financial and fiduciary assistance for not for profit organizations in Ontario and I have been on the SCANS curriculum committee for two years and I'm currently Treasurer for our condo board (8 years). I am currently the SCANS Venues Coordinator on the Curriculum Committee.
