Things That Go Bump in the Night

Do you hear eerie sounds in the dead of night? Is someone watching you even though no one is there? Do doors mysteriously open on their own? If you've answered yes to even one of these questions, then join veteran ghost story teller Vernon Oickle as he brings to life some of Nova Scotia's most intriguing tales of suspense in this presentation. And please bring your own ghostly tales to share.

Vernon Oickle

was born and raised in Liverpool where he continues to reside. He is an award-winning journalist and editor, and is the author of 33 books, many of which collect and preserve the heritage and culture of Atlantic Canada. His best-selling books include *Ghost Stories of the Maritimes*, *Ghost Stories of Nova Scotia*, *More Ghost Stories of Nova Scotia*, *the Nova Scotia Outstanding Outhouse Reader*, *South Shore Facts and Folklore*, *Strange Nova Scotia*, *The Bluenosers' Book of Slang* and *Red Sky at Night*.
